The Forum

Hexham

This pub was originally the Forum cinema, built in 1937. In 1936, the Gem was demolished to enable a new cinema to be built. The proposed name was the Savoy, but the name finally chosen was the Forum, from the area's Roman connections – a link also reflected in the interior design which sported Roman centurions driving chariots, modelled in low relief on the walls and floodlit from the base. There was also a stage, with theatre lighting.

Food hygiene rating

We have been awarded the maximum food hygiene rating of 5 in our pub.

Sustainable fish

The cod and haddock we serve come from fisheries which have been independently certified to the MSC's standards for well-managed and sustainable fisheries.

Free-range eggs

100% of the eggs we use are free range. All shell eggs are certified with the British Lion quality mark and are RSPCA assured, ensuring the highest standards of animal welfare.

Allergen and nutritional information can be found on our customer information screen, website and Wetherspoon app. Adults need around 2000 kcal a day.*
