Dear guest

We would like to make you aware of essential building work taking place on our roof, as well as redecoration of the outside of the building. This will be taking place during your forthcoming stay with us.

Scaffolding is being erected from Monday 9 August, with roof work starting then, along with redecorating the pub and hotel's façade.

During this time, netting and boarding will be placed on the back of the scaffolding. Unfortunately, this will mean that natural light to the rooms and also the hotel's windows' views will be affected.

Please be aware that contractors will be working on the scaffold during the day (8am–5pm).

We apologise in advance for any inconvenience which this work might cause to your stay.

If you would like to discuss this further, or if there is anything else with which we can help you, please do not hesitate to contact the hotel.
